Application

This Service Manual is issued by Canon Inc. for qualified persons to learn technical theory and product repair. This Service Manual covers all localities where the products are sold. For this reason, there may be information in this Service Manual that does not apply to the product sold in your locality. The following paragraph does not apply to any countries where such provisions are inconsistent with local law.

Information revision

This Service Manual could include typographical errors or technical inaccuracies due to improvements or changes in the products. For this reason, when changes occur in the content of this Service Manual, Canon will release service information as the need arises. In the event of major changes in the content of this Service Manual, Canon may issue new editions of this Service Manual at its discretion.

Trademarks

The product names and company names described in this Service Manual are the registered trademarks of the individual companies.
